* Modelo desenvolvido, porém não validado / Model developed but not validated.

Importante: As informações sobre os nomes de modelos, marcas e ano/modelo de fabricação é baseada nas informações disponíveis no mercado brasileiro e conferida, quando possível, com o mercado norteamericano. Em caso de dúvida, a PG Products pode enviar a ficha técnica para conferência das medidas e dos modelos. Important remark: the information regarding the name of models, brands and model year is based on the available information at the Brazilian Market; whenever possible, PG Products checks names, models and brands with those available at the North American Market. In case of doubt regarding developed and actual models, PG Products may send technical drawings to the client so measures and models can be checked.
